*ASB is not defined as 'crime' however it has been included in this table for your information as it can affect the wider community and we (police) are jointly responsible with local councils for dealing with it. Recordable ASB includes neighbour disputes, noise nuisance and fly tipping, as well as issues such as regular rowdy behaviour in public places.

Other news and events

- Due to the worsening weather and deer rutting season we have had several accidents in the surrounding rural area – we advise all residents to drive slowly and keep an eye out for animals on the road.
- Although crime this month is low we still advise residents to always consider crime prevention when leaving their home or vehicle. Ensure that all doors and windows are locked, there are no valuables left on display and anything of significant value should be put in a locked cupboard or safe.
