HUNSDON AREA NEIGHBOURHOOD PLAN OPEN EVENT Saturday 2nd and Sunday 3rd February 10:00 - 12:00 at Hunsdon Village Hall.

Please try to attend one of the two days in order to have your say about the future of the Village

Hunsdon Area Neighbourhood Plan

Help shape Hunsdon's future as a place to live.

The community of Hunsdon has an opportunity to work together to create a Neighbourhood Plan for our Area that will help shape its development until 2033. **This is a chance for the voice of every resident to be heard.**

The first of a series of Community Events will be held in

**Hunsdon Village Hall on
Saturday, 2nd & Sunday 3rd
February 2019,**

10:00 – 12:00 on each day. The event will:

- explain the background and context of the Plan
- show the intended approach and key steps to producing the Plan
 - show progress achieved so far on the Plan

Most importantly, it is an opportunity for **YOU** to contribute your views.

Please come along at any time on either day

Whilst there has not been a lot happening on this page for a while the Neighbourhood Planning Group have been working away in the background in preparation to two key activities.

The first is an Open Event which will be hosted in Early February and The second is a Household Survey which will be coming through your letter box hopefully in the next few weeks.

Please look out for more details on the Open Event which will be held in the Village Hall over two days. Its open to everyone and hope you will take time to attend as we would like you to have your say on shaping the Hunsdon Neighbourhood Plan

Dawn Vaughan It was excellent and thank you all for the hard work that went into it. Apart from being able to have input into the village ideas I learnt so much about 'Harlow North' and the quarry and its potential impact and what parts of it will actually affect Hunsdon and what parts won't- 🙌

HELP SHAPE HUNSDON FUTURE AS A PLACE TO LIVE AND WORK

First Community Open Event

On Saturday, 2nd and Sunday 3rd February, between 10:00 and 12:00 on each day, the first of a series of Community Events will be held in Hunsdon Village Hall.

The event will:

- 1) Explain the background and context of the Plan
show the intended approach and key steps to producing the Plan
- 2) Show progress achieved so far on the Plan

Most importantly, it is an opportunity for **YOU** to contribute your views, so please come along at any time on either day

That will be followed in mid-February by two surveys:

A Household Survey which is to find out what residents think are the important things which should be done for the community. This will be introduced at the Community Event on 2/3rd February and paper copies will subsequently be delivered to every household in the Hunsdon Area, as well as to businesses and other non-resident stakeholders. An online version of the same survey will also be available on this website.

The other survey will be specifically about housing and is called a **Housing Needs Survey**, and will be posted to all residents in due course.

It is important that residents complete and return these because the results of both of these surveys as well as all the views that people have expressed at February's consultation will be analysed and used to shape the direction the Plan takes going forward. Draft policies will be prepared on this basis evidence gathered, and further consultation with the community and stakeholders will take place before a draft Neighbourhood Plan is submitted to East Herts District Council for consideration and approval. Residents will then vote on whether to accept this Plan in a referendum.

If the community approves it, the Plan will be subject to Examination by a Planning Inspector before becoming a legal planning document that will influence what happens in the Hunsdon Area until 2033.

Hunsdon Neighbourhood Plan Thanks for replying [Diane Clayson](#). Just to clarify that the Neighbourhood Plan is to guide and control development of housing in the future. As a Category 1 Village, when the currently approved developments are finished, Hunsdon as achieved its quota o... [See more](#)
