

Hunsdon Area Neighbourhood Plan

Household Survey

Help shape Hunsdon's future as a place to live.

The community of Hunsdon has an opportunity to work together to create a Neighbourhood Plan for our Area that will shape its development over the next 15 years up until 2033. We want the voice of every resident to be heard.

Return your completed Household Survey by: 1st April 2019

What is a Neighbourhood Plan?

A Neighbourhood Plan is the community's shared vision for our neighbourhood that will shape the growth of our local area. It allows us to have a say in how many new homes and businesses will be built, where we want them, and what infrastructure and community facilities are provided to support them. Once the Plan is drafted, the community will be asked to vote on whether or not to accept it.

Why do we need a Neighbourhood Plan?

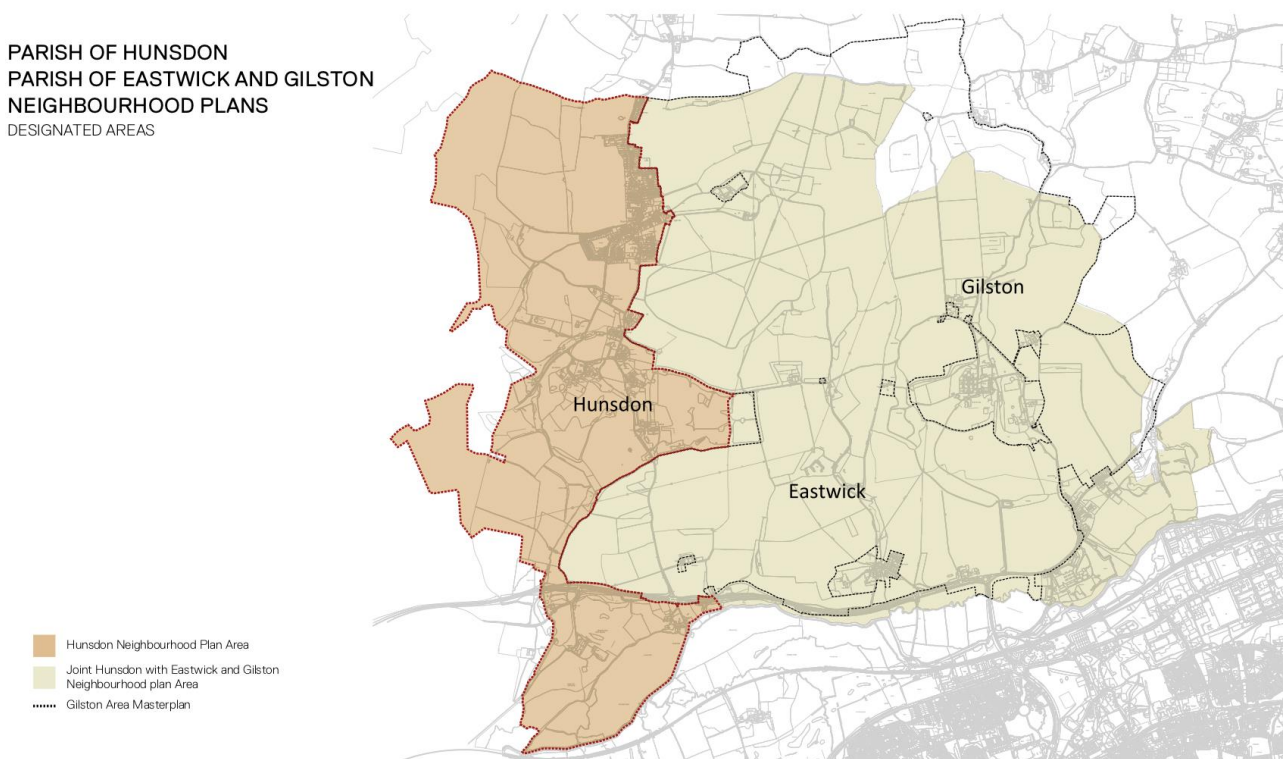

Once agreed, our Neighbourhood Plan will be a material consideration in all future planning applications decided by East Herts District Council, so if the community as a whole think no more housing should be provided, it can say so and if it decides more housing should be provided in the Area it can influence the number, the location and the mix to ensure it is the right housing for our community. This is not just about housing though, and while it will help to protect against speculative development, it is also about deciding how we can make sure Hunsdon is a good place to live for existing and future residents of all ages; it allows us to set policy that can help us to protect and preserve our rich local heritage and green spaces as well as encourage employment opportunities that seek to meet business needs in the community.

What locations does the Hunsdon Area Neighbourhood Plan cover?

Most of you will have will know about the EHDC Plan to build a series of “Garden Villages” mainly in the area of Gilston and Eastwick but partly in the parish of Hunsdon as part of the re-development of Harlow New Town. This involves the building of at least 3000 houses by 2033 and another 7000 after that date. Within Hunsdon this is effectively the area just north of the A414 on either side of Church Lane, known as Village 7. It also includes Hunsdon Airfield and the woodlands to the north but promises that these assets will be dedicated to the community early in the development and be protected from future housing grabs in perpetuity These areas are covered by a joint Neighbourhood Group representing Hunsdon, Eastwick and Gilston and is separate to our Neighbourhood Plan Area which covers the rest of Hunsdon Parish. Both Neighbourhood Plan Areas are shown on the **maps below**.

Hunsdon Airfield is of course enormously important to our community, so although it is not part of our plan, we will be inviting residents to think about what they would like to see happen to it so that this can be fed into the joint Neighbourhood Plan.

Going forward...

Two surveys are being carried out. This is one of them and is called the **Household Survey** which is to find out what residents think are the important things which should be done for the community. The other survey will be specifically about housing and is called a Housing Needs Survey, and will be posted to all residents in due course. **It is important that residents complete and return both surveys** because the results of both of these surveys as well as all the views that people have expressed at February’s consultation will be analysed and used to shape the direction the Plan takes going forward. Draft policies will be prepared on this evidence gathered, and further consultation with the community and stakeholders will take place before a draft Neighbourhood Plan is submitted to East Herts District Council for consideration and approval. Residents will then vote on whether to accept this Plan in a referendum. If the community approves it, the Plan will be subject to Examination by a Planning Inspector before becoming a legal planning document that will influence what happens in the Hunsdon Area until 2033.

Hunsdon Area Neighbourhood Plan Household Survey

Everyone aged 16 years and older in each Hunsdon Area household can complete this survey, but one per household is also fine. Details on where to obtain more paper copies as well as instructions on how to submit completed surveys are contained on the back page of the survey.

This survey can also be completed and submitted easily online at: www.hunsdonneighbourhoodplan.org.uk

Housing

The Hunsdon Area must accommodate at least 37 homes by 2033 according to the East Herts District (EHDC) Plan passed recently. Planning for these houses has already been approved by EHDC, and they are already being built. Our community needs to consider whether these are enough or whether it would like to see further growth in the Hunsdon Area. This is completely separate to the 10,000 houses that will be built as part of Harlow and Gilston Garden Town.

Please answer all the questions about housing even if you don't want to see any more homes built in the Hunsdon Area.

What progress has been made on the Neighbourhood Plan so far?

Since Hunsdon Parish Council initiated the Neighbourhood Planning Group earlier in 2018 and co-opted volunteers to the initial Steering Group, it has familiarised itself with the work to be done, drawn up an action plan and obtained initial funding. Since then we have: -

- Identified the “designated area” covered by this Neighbourhood Plan, which has been approved by East Herts District Council. This is the “**Hunsdon Area**” referred to in this survey and is shown on the map below with the village boundary, the remaining green belt, the conservation area and Hunsdon Mead (Site of Special Scientific Interest (SSSI)) and green spaces, all marked
- Put together this survey to seek the opinion of local residents and businesses
- Formulated a draft ‘Vision’ and draft ‘Objectives’ for the Plan
- Created a dedicated Neighbourhood Plan website: www.hunsdonneighbourhoodplan.org.uk and Facebook page to keep everyone informed. For residents not on-line, updates will be posted on the village noticeboards and in the Parish Magazine, and periodically, a newsletter will be distributed door-to-door
- Embarked on a series of Community Engagement events that will shape the Plan and reflect the community’s priorities and what they want to see done. The first Consultation with the community was held on 2nd and 3rd February 2019 in the Hunsdon Village Hall when we asked residents, landowners and other stakeholders what they thought about the draft Vision and Objectives mapped out so far.

Remember to return your completed Survey by 1st April 2019.
